the said right-of-way being that portion of each of the said parcels which is shown outlined in red on a plan of survey which was deposited in the Land Registry Office at New Westminster, British Columbia, on the 7th day of November, 1962, and which was registered as Plan No. 24868.

3. The municipality shall have the right for its licensees, servants, agents, officials, workmen, machinery, and vehicles to enter upon, pass, and repass upon the lands included in the rights-of-way hereby expropriated, and to make surveys and tests thereon, and to construct, install, inspect, maintain, repair, reconstruct, remove, or replace sewers, storm-sewers, pipes, and conduit of every kind, and to have reasonably unobstructed access to and from the rights-of-way over the remainder of the said parcels of land for any of the purposes above stated.

4. Nothing in this by-law shall be held to restrict the owner of any of the parcels through which a right-of-way is hereby expropriated from using the said right-of-way in any manner which does not interfere with the security of, efficient functioning of, or unobstructed access to the sewerage-works, and in particular the said owner may use the surface of the right-of-way for normal garden purposes, for the lawful storage of goods, and for the lawful parking of vehicles, and may erect and maintain a fence thereon and may cover the right-of-way with gravel, asphalt, or concrete to a depth reasonably sufficient for a parking area, carport, or walk; but he may not erect any building thereon or permit any shrub or tree of a height of or liable to attain a height of fifteen feet or more, or permit any thing to be placed thereon or done thereon to injure the sewerage-works or to prevent reasonable access by the municipality.

5. The municipality, in the exercise of the rights authorized by this by-law, may remove anything placed on the right-of-way, and in particular may remove shrubs, plants, or fences, and may break up any asphalt or cement; but, in so far as is reasonably possible, the municipality shall replace and repair the same as promptly as may be after completing the work in which it is engaged so as to restore the ground and the things located thereon to substantially their original condition.

6. All the sewerage-works installed by the municipality in, on, or under the right-of-way shall remain chattels and the property of the municipality.

7. The expropriation authorized by this by-law shall be subject to the provisions of Division (4) of Part XII of the *Municipal Act*.

8. This by-law may be cited for all purposes as the "Township of Chilliwack Sewer Right-of-way Expropriation By-law No. 3, 1962."
